To be raised and appropriated

\$269,624.45

7. To see if the Town will vote to authorize the Board of Selectmen to apply fifteen thousand dollars (\$15,000.00) from surplus funds to reduce the amount to be raised by taxes under Article 6.
8. To see if the Town will vote to authorize the Board of Selectmen to sell property acquired by Deed of the Tax Collector.
9. To see if the Town will vote to raise and appropriate the sum of six hundred dollars (\$600.00) to be used toward the operation of the Information Booth in the Town of Lisbon to be sponsored by the Chamber of Commerce.
10. To see if the Town will vote to authorize the Selectmen to apply for and receive Federal Disaster Assistance Funds through the State Disaster Coordinating Office and to expend the funds so received to repair the damage to Town Roads and/or bridges caused by any declared emergency and to authorize the Selectmen to borrow such sums as may be necessary to defray the cost of repairing damage in anticipation of Federal Disaster Funds to be received through the State Disaster Coordinating Office.
11. To see if the Town will vote to raise and appropriate a sum not to exceed nine thousand dollars (\$9,000.00) for the purpose of purchasing a new tractor with mower for the Highway Department, money to be taken out of surplus funds.
12. To see if the Town will vote to raise and appropriate a sum not to exceed two thousand two hundred dollars (\$2,200.00) for the purpose of buying a new plow for the Highway Department, money to be taken out of surplus funds.
13. To see if the Town will vote to raise and appropriate a sum not to exceed two thousand one hundred dollars (\$2,100.00) for the purpose of purchasing and installing storm windows on the Town Hall, money to be taken out of surplus funds.
14. To see if the Town will vote to raise and appropriate a sum not to exceed nine hundred dollars (\$900.00) for the purpose of insulating the Library attic, money to be taken out of surplus funds.
15. To see if the Town will vote to raise and appropriate a sum not to exceed three thousand dollars (\$3,000.00) for the purpose of installing a concrete deck on the Breezyhill Bridge, money to be taken out of surplus funds.

16. To see if the Town will vote to raise and appropriate the sum of four thousand five hundred dollars (\$4,500.00) for the replacement of the Lisbon Fire Department 1946 Ford tanker chassis, money to be taken out of surplus funds.
17. To see if the Town will vote to raise and appropriate for the purpose of establishing a tax map as required by R.S.A. 31:95a, a sum of money not to exceed eighteen thousand dollars (\$18,000.00) to be divided into four annual payments not to exceed four thousand five hundred dollars (\$4,500.00) each in 1977, 1978, 1979 and 1980.
18. To see if the Town will vote to appropriate and authorize the withdrawal from the Public Works Employment Act of 1976 Fund which the Board of Selectmen were authorized to apply for and accept monies by vote of the Town at a Special Town Meeting held November 10, 1976 for use of constructing improvements to the Town owned Water Works in the amount of two hundred ninety nine thousand five hundred fifty seven dollars (\$299,557.00).
19. To see if the Town will authorize the Board of Selectmen to borrow a sum of money, not to exceed ten thousand dollars (\$10,000.00) to pay for initial operation of the sewage treatment plant and pumping stations. Such sum of money to be paid back to the Town by the user fees collected to operate the system.
20. To see if the Town will vote to raise and appropriate the sum of three hundred dollars (\$300.00) for the purpose of assisting Alpha House, so-called, a place where remedial activities are carried on relative to the health of the bodies and minds of persons who go there for treatment. (by petition)
21. To see if the Town will vote to maintain the road on Hodge Hill from the Arthur Tyler residence to the property of Sumner Harris, approximately 4/10 of a mile. (by petition)
22. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 16th day of February 1977.

Earl W. White
William F. Swett
Daniel Cullen

SELECTMEN'S REPORT

We hereby submit our annual report to the citizens of the Town of Lisbon:

During the year 1976 your Selectmen have continued to be concerned with the many problems facing the community. A major portion of our time has been spent on the implementing and supervising the construction of the Sewage Disposal Facility, upkeep and maintenance of the highway system and the maintenance of our equipment and buildings and on the heating system at the Town Hall.

The appropriations recommended for 1977 for the support of town business shows an increase in several accounts, namely, Town Poor, more realistic figures for the Fire and Police Departments, Highway Department and increased use of the Town Hall calling for additional heat and electricity.

SOLID WASTE DISPOSAL

Much time has been spent in looking at all facets of this problem. As reported last year we are to stop burning at the dump by July 1 of this year. After studying all areas it appears that a Landfill Operation is the one we will need to pursue. Plans have been drawn up to use land now currently owned by the Town. Our Representative to the General Court has introduced a bill which will exempt small towns from the provisions of the Clean Burning Act. If this is accepted Lisbon will be able to continue burning at the local dump. However, we need to be ready for Landfill if this bill is not passed.

SEWAGE DISPOSAL PROJECT

At long last this project is well on its way and should be completed by this fall. Most of you are aware of the work being done and many of you have expressed your opinions to the Board so no explanation is necessary at this time. We are, however, on schedule and have been able to effect a few savings. It is anticipated that a representative from Green Engineering will be present at Town Meeting to explain the progress, any savings, problems encountered, and those facing us before the finish of the project. You will have an opportunity to ask questions at that time.

OTHER ITEMS

In our report of last year, we outlined some of the needs and included articles in the Warrant to accomplish them. The work on the renovation of the Fire Station and Police Station has been completed. The painting of the Town Hall exterior has been done and the work on the heating system was done during this year. In addition the interior of the Town Hall was painted and the floors refinished. The Board wants to thank all who contributed funds or time and effort in getting this work done. We especially want to thank Barbara Jesseman, Nancy Landry and their committee for the many hours spent in spearheading the renovation. Also our thanks to the Lisbon Lions for their contribution in refinishing the floor and having the painting done in the Hall. You are all invited to look over these projects and you will be able to realize the amount of savings these people have effected for the Town.

The Town Hall has been used more this year than any time in the past. It serves as the meeting place for the Senior Citizens, is being used by the Friends in Council, the Lions basketball program and the school system is using it for middle school basketball. It is also available for use by other groups in town. A 10,000 gallon fuel tank was installed last year at our recommendation with the hopes of reducing the fuel costs. However, the increased use of the building has increased the amount of fuel needed, thus no savings.

Your Selectmen have very carefully gone over the budget proposed for 1977 and feel it represents true figures needed for the efficient operation of our town. We also feel that the items requested in the Special Articles are necessary, especially the article with reference to the Library.

Respectfully submitted,

Earl W. White
William F. Swett
Daniel P. Cullen

TOWN CLERK'S REPORT

To the voters of the Town of Lisbon:

I herewith submit my annual report of the financial doings of my office for the year 1976.

Auto Tax Permits issued for 1975	\$ 407.18
Auto Tax Permits issued for 1976	23,826.50
Dog License Fees for 1976	589.60
Filing Fees collected	<u>11.00</u>
Total Receipts	\$24,834.28

The sum of the total receipts was turned over to the Town Treasurer.

Respectfully submitted,

Charlotte P. Derosia
Town Clerk

.....

REPORT OF THE AUDITORS

February 16, 1977

We have examined the accounts of the Tax Collector, Town Clerk, Selectmen, Overseer, Trustees of Trust Funds, Treasurer of the Lisbon Public Library and Water Rent Collector and find the same to be correctly cast and properly vouched.

REPORT OF THE WATER COMMISSIONERS

Your Water Board has been aware for the past few years that basic improvements should be made to the quality of the water that is being furnished to our customers.

Our concerns were increased by the passing of the National Safe Drinking Water Act (NSDWA) by the Congress of the United States. It is anticipated that in the near future all surface water supplies will require treatment to conform with the standards as set forth in this act.

With this problem facing the Water Board we engaged the services of Dufresne-Henry Engineering Corporation of North Springfield, Vt. to conduct an engineering investigation of our existing water supply system. Some of the results and recommendations of their investigation are as follows:

It is expected that if Pearl Lake is to continue to be used as the source of supply, the water will have to go through a costly treatment process to consistently achieve the quality standards set forth by the NSDWA. It is the intention of the Water Board to seek a less costly alternative to full scale treatment of Pearl Lake. The alternative being pursued is replacement of the Lake by an adequate ground water supply requiring a minimum degree of treatment. Presently water is delivered from Pearl Lake to the Town through a single transmission main. Enroute from the Lake to the central distribution system the transmission main passes through and opens into a small reservoir. This reservoir has little useful storage and serves primarily as a pressure regulating reservoir and controls the hydraulic gradient of the system. This reservoir is located within the watershed of some active farmland, it is uncovered and unprotected as a source of water supply. The opening from the transmission main into the reservoir creates a potential for contaminants to enter the water distribution system. In light of the inadequacy of this reservoir, both in terms of storage volume and water quality it seems best that this reservoir be replaced with a covered distribution storage reservoir.

Dufresne-Henry Corporation recommends that improvements to the water system be made in three phases of construction.

PHASE I: Construction of a 400,000 gallon distribution storage reservoir and connecting 12 inch transmission main.

PHASE II: Well construction to replace the existing surface water supply with a ground water supply.

PHASE III: Construction of a second distribution storage reservoir to provide the additional distribution storage needed.

Through the full cooperation of the Selectmen of the Town of Lisbon an application for 100% funding of PHASE I was submitted under the Federal Public Works Act of 1976. This application was accepted in amount excess of \$299,000.00 and PHASE I will be completed by fall of 1977.

Respectfully submitted,

Victor Snell
Robert Elliott
Wallace Clough

LISBON FIRE DEPARTMENT REPORT FOR 1976

Your Fire Department had another busy year with training, horse show and parades added to the fire-fighting duties. Chimney fires and overheated wood-burning stoves and fireplaces are currently a big problem. We have instructions from the State Department of Safety on the proper use and specifications for fireplaces and wood stoves. Anyone may obtain one of these pamphlets from the Fire Chief.

Following is the list of responses to calls:

Automobile assistance (wash gasoline)	5
Building fires	9
Car fires	1
Check smoke	1
Chimney fires	9
Dump fires	7
Electrical fires	6
Grass & brush fires	2
Wood-burning stove	1
Lyman fires	2
Mutual aid calls	11
Miscellaneous	8
False alarms	6
Wrong number	47
No answer	52
Child on phone	9

Training sessions, a dozen in total, were well attended. Special training was taken by most of our members at the Twin State Fire Association-sponsored school at Oxbow High School in Bradford, Vt., again. Our own department conducted special sessions with practical training in the building made available by New England Electric Wire Company. Several departments from surrounding towns came and worked on this project with us. Our thanks to New England Electric for affording us this opportunity.

Five of our members completed the Emergency Medical Technician training program under instructor Tom Ross, of Littleton, chairman of the North Country EMS Council and member of the State Emergency Medical Services Board. As a result of the efforts of these men in completing this training, several items of emergency equipment have been made available to us at no expense.

Fire Warden's Field Day, co-sponsored by the State Forestry Department and Twin State Mutual Aid Fire Association was hosted by our Department on September 11, 1976. Equipment displays and demonstrations conducted by both services were interesting and informative to all who attended.

Our annual fund raiser, the horse show, was held in July, our fourteenth annual, and was an official Bicentennial event for Lisbon. We were greatly impressed and grateful to all who took part in our Bicentennial parade. Special thanks go to all who faithfully support us with their donations of trophies, ribbons, trucks and many other items to keep this one of the best horse shows in New England. We have fire extinguishers and smoke detectors for sale at reasonable cost. Information on these valuable home-safety items can be obtained from any member of the Department.

Bicentennial events in the area were well supported by the Lisbon Fire Department. Members of the Department spent many hours cleaning, sanding, painting and polishing to get our entries in parade condition. The ladder truck, with its shiny wood ladders, buckets and hats, and new signs was driven by Lyle McBurney in seven Bicentennial parades at Haverhill, Landaff, Littleton, Lyman, Monroe, St. Johnsbury and Woodsville. Bill Bromage and Stan Snell pulled Lisbon's Fire Unit No. 1, the hand-drawn hose reel, many long miles during the summer celebrations.

We now own five hundred feet of 4-inch hose--the result of last year's Town Meeting approval. Our name did not come up for financial aid from the Rural Community Fire Protection program as we had hoped, but we are trying again and when it is our turn we will add some more of the large diameter hose.

Our communications have been improved with the installation of ten Plectron units and another ten have been ordered. This system enables members of the Department to pick up a special tone signal directly from the dispatcher. She can also give location and instructions directly to the men, sometimes saving valuable minutes.

Our Dispatcher service continues to be a most valuable service. I would like to point out that the dispatcher is not allowed to give information concerning fires or emergency calls to other than the officials concerned, and the Public is urged to cooperate by refraining from calling either on the red network or the dispatcher's number to keep her lines free for emergency use.

Our work in the fire station continues. The addition of heat and hot water certainly make it a lot easier. We will soon begin on a new ceiling.

My personal thanks go to our Department officers and men for their help and cooperation, and to the townspeople for their support.

Respectfully submitted,

Harry T. Andross, Chief

Total Persons in Station	1,762	1,475
Total Phone Calls (Joan Guilmette)	1,978	1,319
Total Phone Calls (Police Station)	1,451	1,142

It gives me pleasure in reporting that for a third year in a row, the Town of Lisbon had a fatality-free year on our highways. Also we did not have any motor vehicle accidents where there was serious bodily injury, even though the accidents investigated by this department were up about 93% over last year.

Last year Chief Grayson was able to attend Police Prosecutor School sponsored by the New Hampshire Police Standards and Training Council. The courses were held at the New Hampshire Technical Institute in Concord for one week. Some of the courses covered were preparations of briefs and answers to motions to dismiss, motions to quash complaints, motions to suppress evidence, motions of legality of arrest and motions on questions of law, also on the new juvenile laws.

I would like to thank the members of the department for their help and cooperation over the past year and a special thanks to Officer Arthur Boutin for the excellent job that he has been doing. I would like to take this opportunity to thank the citizens of Lisbon for their continued help and understanding over the past year.

Respectfully submitted,

Richard Grayson Chief of Police

ANNUAL REPORT OF LISBON PLANNING BOARD

The Lisbon Planning Board received 10 applications for subdivision approval, 9 were approved, 1 withdrawn.

All Notices of Intent received from Selectmen were reviewed, some returned for further information, one referred to holder of right-of-way for permission to build.

Information given by phone and requests for copies of regulations answered.

Pearl Lake special exception referred to Planning Board by Board of Adjustment. Water Supply and Pollution and Soils Conservation Dept. consulted and recommendation to allow construction of one house and accompanying subdivision passed (allowed with restrictions based upon information from State Water Supply and Pollution).

Two members attended, at their own expense, Land Use Seminar held in Whitefield sponsored by North Country Council.

Received assistance from North Country Council on tax mapping.

Members helped paint and redecorate the Board Room.

Tax mapping firms invited to submit bids for tax map.

Public hearing to consider amendments resulted in withdrawal of proposed amendments but revision of Notice of Intent forms to include better water supply information to be undertaken in next few meetings.

This is a brief summary of Planning Board activities, complete minutes and itemized financial report on file in Selectmen's office for public inspection.

Respectfully submitted,

Barbara Jesseman, Chairman

NORTH COUNTRY HOME HEALTH
AGENCY, INC.

1976 Report

North Country Home Health Agency provides the following services to the participating towns:

Skilled Nursing Care for: care of the chronically ill; short term care following hospitalization, or acute care in place of hospitalization; visits to newborns and mothers; diet and nutrition teaching; prevention, intervention and control of disease.

Homemaker/Home Health Aide services: maintenance of a patient in his own environment as long as possible through assistance with personal care; ancillary nursing procedures; assistance with meal preparation and light housekeeping.

Physical Therapy services by a Registered Therapist to homebound patients.

Public Health activities aimed at prevention of disease.

During 1976 these services were provided through:

- 6545 Skilled Nursing Care Visits - a 30% increase
- 3285 Home Health Aide Visits
- 2667 Hours of Homemaker Service - a 25% increase in these two categories
- 31 Physical Therapy Visits - an increase from 4 in 1975

Public Health activities included:

- 15 Immunization clinics for pre-school children
- 9 Well-child clinics providing physical exams for pre-school children of low-income families. Follow-ups are made by this office.
- 6 Dental screening clinics for pre-school children, with follow-ups and referrals done by this office.
- 4 Orthopedic clinics held at Littleton Hospital for all area residents under 18.
- 1 Expectant parents course.

1 Diabetic teaching course in cooperation with other organizations.

6 "Swine" flu vaccination clinics for all adults in the 15 towns served, as mandated by the State.

This Agency is approved by Medicare and the New Hampshire Department of Public Health as a certified provider of Home Care services. The Board of Directors is composed of volunteer members representing the towns served. It is a non-profit agency and all monies received are returned in direct services to the residents of the 15 towns.

Services provided to residents of Lisbon

869 Skilled Nursing Care Visits

463 Home Health Aide Visits

418 Hours of Homemaker Service

20 Physical Therapy Visits

40 Health Promotion/Assessment Visits

Residents of Lisbon may attend any of the clinics held in any area.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and Local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past twenty years.

1976 FOREST FIRE STATISTICS

	<u>No. of Fires</u>	<u>No. of Acres</u>
State	746	294
District	18	33
